Would you like to make a difference?

Volunteering is a great way to make new friends, try something new, or help a cause that you're passionate about. At the Volunteer Centre a team of specialist advisors can help you to find your perfect role. If you prefer, you can apply online for any of our 250 volunteering opportunities in West Lindsey at www.do-it.org.uk

Voluntary Centre Services also offers specialist advice services for anyone wishing to set up a group, receive funding advice or access news and contacts across the sector, as well as an established volunteer management training programme, which is available for anyone who finds themselves responsible for volunteers.

Is your organisation looking for volunteers?

We work with over 300 organisations just like yours matching the right volunteer to the right position.

Employers...

You can also get involved by supporting your employees to share their skills in the local community. We can even help to organise team "away days" working on conservation projects, restoring community buildings or even helping to improve a railway station!

The Volunteer Centre is hosted by Voluntary Centre Services at The Guildhall and is open to enquiries from Tuesday to Friday, 9am- 4pm
